Title : FIXED SATELLITE CONSTELLATION SYSTEM EMPLOYING NON-
GEOSTATIONARY SATELLITES IN SUB-GEOSYNCHRONOUS
ELLIPTICAL ORBITS WITH COMMON GROUND TRACKS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Mr. Gillon,

Attached please find a copy of my letter to the inventor Mr. Jon Draim and returned delivery record from the U.S. Postal Service showing that the inventor Mr. John Draim received a copy of the filed patent application along with the combined declaration and power of attorney and the assignment for his signatures. Mr. John Draim, however, has not sent us the executed combined declaration and power of attorney and the assignment. This shows that the requirements under rule 1.47(a) have been met. I will call you towards the end of next week to follow up on this.

Thanks much for your help on this matter.

Applicant: David Castiel, et al.
Application No.: 09/658,215
Filing Date: September 8, 2000
Country: United States
OAI Ref.: 10636-005001

Dear Mr. Drain:

We understand that you previously have received a copy of the filed application for this case. In addition, the Combined Declaration and Power of Attorney along with the Assignment document for the above referenced case was sent to you on September 28, 2001. However, we have not received the signed documents from you.

Enclosed please find a copy of the application as filed and another set of the formal papers (Combined Declaration and Power of Attorney and Assignment) for your review and signature. Please review and return these documents to our office as soon as possible for a timely filing with the US Patent and Trademark Office.

If you have any questions feel free to contact me.

Very truly yours,

Bing Ai
